Ways to Log In to University Information Systems.

- 1. The following instructions cover the methods for logging in to the following services:
  - o Microsoft 365 services such as email, MS Teams,
  - o logging into computers in the computer rooms,
  - o logging into the WIFI,
  - o logging into the Virtual Dean's Office.
- 2. The construction of the email address, referred to as the full student name in this instruction, takes the following form: UID number followed by @student.up.poznan.pl. For example, a student named Jan Kowalski with the UID number 12345 will have the following email address and full student name: 12345@student.up.poznan.pl.
- 3. To access the above services, you must first set a password.
  - 3.1. Visit the website: <a href="https://pr.up.poznan.pl/">https://pr.up.poznan.pl/</a>
  - 3.2. Select the option "ZAPOMNIAŁEM/ŁAM HASŁA" (FORGOTTEN PASSWORD)

## 3.3. Provide your full student name and press "WYŚLIJ" (SEND)

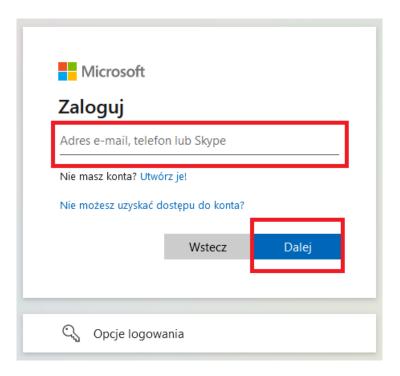

A message with a link to a page where you can set a suggested password will be sent to your private email address. The password should contain a minimum of 10 characters, including uppercase and lowercase letters, numbers, and special characters. After creating the password, please wait for 5 minutes before logging in again.

The email address where the message will be sent was provided by the student during the recruitment process. We do not recommend changing this address. If it needs to be changed, please contact an IT Center employee.

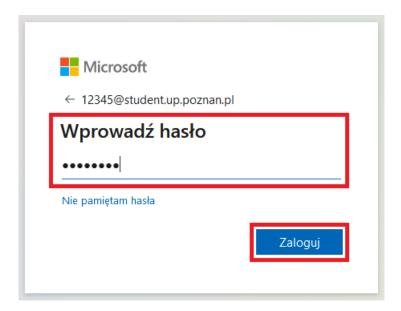

3.4. If you remember your previous password, you can change it. In that case, provide your full student name (Nazwa użytkownika), old password (Stare hasło), and the new password twice (Hasło and Powtórz hasło). The new password should contain a minimum of 10 characters, including uppercase and lowercase letters, numbers, and special characters. Click WYŚLIJ (SEND).

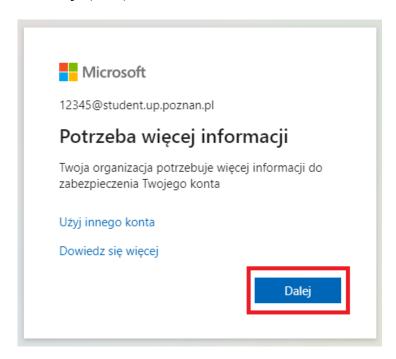

- 4. Logging into Email (Microsoft 365 Suite Service)
  - 4.1. Go to the website <a href="https://login.microsoftonline.com">https://login.microsoftonline.com</a>.
  - 4.2. Enter your full student name, e.g.: <u>12345@student.up.poznan.pl</u> and click "Dalej" (Next).

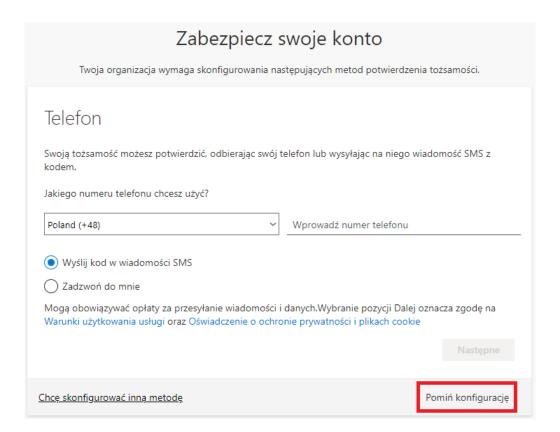

4.3. Enter the password and click "Zaloguj" (Sign in).

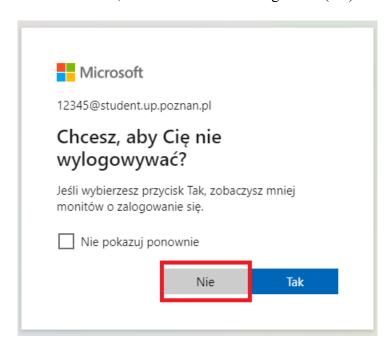

## 4.4. Click "Dalej" (Next).

4.5. A security setup wizard will appear for your account. You can skip this option by selecting "Pomiń konfigurację" (Skip setup).

4.6. In the next window, we recommend clicking "Nie" (No).

- 5. Logging into Computers in Selected IT Rooms
  - 5.1. In internet rooms where individual computer login is required, enter your login in the form of UID number and the password obtained during the password change or recovery process (point 3). Please note that this is not the full student name or email address.
  - 5.2. If you don't have a password or need to change it, you can use the mechanisms from the website <a href="https://pr.up.poznan.pl">https://pr.up.poznan.pl</a> (point 3).
- 6. Logging into WIFI
  - 6.1. The student has access to WIFI network throughout the entire UPP campus. Use your UID number as the login, and the password obtained during the password change or recovery process (point 3).
- 7. Logging into the Virtual Dean's Office can be done in two ways:
  - 7.1. Logging in the traditional way:
    - 7.1.1. Go to the website <a href="https://wu.up.poznan.pl/">https://wu.up.poznan.pl/</a>
    - 7.1.2. Log in to the system by entering the UID and password for the Virtual Dean's Office. This is a different password than the one created/recovered in point 3. Usually, it is set during the recruitment process.

## Wirtualny Dziekanat

7.1.3. On this page, there are also links for student account recovery [student account registration/recovery].

This is an option to retrieve your UID number and generate a new password, but only for the Virtual Dean's Office service.

- 7.2. Logging in using CAS:
- 7.2.1. On the Virtual Dean's Office website <a href="https://wu.up.poznan.pl/">https://wu.up.poznan.pl/</a>, click the "Zaloguj przez CAS" (Log in with CAS) button.
- 7.2.2. On the page starting with <a href="https://sso.up.poznan.pl/login?service">https://sso.up.poznan.pl/login?service</a>..., enter the full student name in the "Użytkownik" (User) field, e.g.:
- 12345@student.up.poznan.pl, and enter the password obtained during the password change or recovery process (point 3) in the "Hasło" (Password) field. After pressing the "Zaloguj się" (Log In) button, the student will be redirected to their page in the Virtual Dean's Office.
